# Tow Law Tattler

## August 2010

### A TOW LAW MYSTERY

TV presenter John Grundy worked his probationary teaching year at Tow Law County Primary School in 1965/66. During his time in Tow Law it snowed quite heavily, surprise, surprise and he set his class of 7 year olds the task of writing a poem about the snow.

He has always remembered, and kept, a poem by one of the class who he believes was a little girl but he did not write her name on it. The poem was:-

Others who were old and bent  
Complained with every step they went  
That it was too cold  
And they were too old  
To walk about in the snow

If you can remember writing it he would love to put a name to it's author and he is contactable through the BBC or let Jenny Flynn know and she will get in touch with him.

Incidentally he has never been back to Tow Law since his year of teaching but he did have fond memories of Tow Law.

### *Tow Law celebrates World's Biggest Coffee Morning*

On Friday September 24 th, between 10.00 and 1.00 p.m., Tow Law Community Centre will hold a Coffee Morning as part of the Macmillan Cancer Charity's World's Biggest Coffee Morning.

The Tow Law Community Association is holding this as part of an information-giving session to highlight what is on offer at the Centre. As well as tea, coffee and biscuits, there will be members of staff on hand to answer any questions about the Programme at the Centre and there will be a raffle with prizes donated by local businesses as well as tombola, a cake stall and a sale of second hand books. Members of our IT Drop-In Group will be selling Christmas Cards that they have made (and excellent they are too!), the whole proceeds going to the Charity.

The World's Biggest Coffee Morning is one of the biggest fundraising events in the UK, with an estimated 2 million people raising their mugs for Macmillan last year. Last year we raised over £600, this year we would like to raise more, so put it in your diaries now!
