### THE TOW LAW YOUTH PROJECT

Starting Mondays at 4:30 with survival presentations **The Duke of Edinburgh Award** is a real adventure from beginning to end. It doesn't matter who you are or where you're from. You just need to be aged between 14 and 24 and realise there's more to life than sitting on a sofa watching life pass you by. You achieve your Award by completing a personal programme of activities in four sections (five if you're going for Gold) - Volunteering, Physical, Skills, Expedition and for Gold, a Residential. You'll find yourself helping people or the community, getting fitter, developing skills, going on an expedition and taking part in a residential activity (Gold only).
