Tow Law celebrates World's Biggest Coffee Morning

On Friday September 28 th 2012, between 10.00 and 1.00 p.m., Tow Law Community Centre will hold a Coffee Morning as part of the Macmillan Cancer Charity's World's Biggest Coffee Morning.

The Tow Law Community Association is holding this as part of an information-giving session to highlight what is on offer at the Centre. As well as tea, coffee, scones and biscuits, there will be members of staff on hand to answer any questions about the Programme at the Centre and there will be a raffle with prizes donated by local businesses as well as tombola, a cake stall and a sale of second hand books and jigsaws. Members of our IT Drop-In Group will be selling Christmas Cards that they have made (and excellent they are too!), the whole proceeds going to the Charity. In addition there will be a flower arranging demonstration with the arrangement being raffled off in a separate draw.

The World's Biggest Coffee Morning is one of the biggest fundraising events in the UK, with an estimated 2 million people raising their mugs for Macmillan last year.

At last year's event, we raised over £850 for the Charity and this year we would like to raise even more, so see you all there!
